16. BIG IDEAS
Husband-and-wife duo Aki Kamozawa and Alex Talbot have tantalised foodies with their culinary blog *Ideas in Food* since 2004. The pair recently immortalised their tricks of the trade in a book of recipes, explanations and tips, including which woods create the best smoke.

17. KEEP CALM
Danish design consultancy OeO and Swiss candle company Calming Park have joined forces to create the ideal olfactory candle. The 'Tokyo' candle's blend of pine needles, cedar, lotus flowers and incense is fresh, opulent and altogether divine.

18. FORTY PLUS
Tucked away in the Tiong Bahru neighbourhood, 40 Hands is an eclectic café flying the flag for Third Wave coffee in Singapore. Each cup of Joe is an ode to micro-lot and single-origin varieties, which take an average of 40 hands to make it from plant to cup.

19. DESERT GOLD
With the Bloomsbury set in mind, Dunhill has put its spin on quintessentially English footwear designs this season. The company's incarnation of the desert boot comes with a welted rubber sole, which lends a stacked appearance for towering appeal.

20. SUPER SIZES
There's no faulting the austere beauty of Teruhiro Yanagihara's 'Typ' range of leather wallets. Each corresponds to a different ISO paper size and is handmade from thin pieces of leather by Japanese leather stalwart Morpho for an exquisite finish.
